

Project Name: NAIPTA Mountain Links
Location: Flagstaff, AZ

Project Overview:

Northern Arizona Intergovernmental Public Transportation Authority (NAIPTA), Northern Arizona University & the City of Flagstaff partnered to extend service of Mountain Links public transportation line. Mountain Link has become an integral part of Flagstaff's transportation system, providing a valuable service to residents, students and visitors. Students living off campus now have a safe and reliable way to get to and from classes and to Flagstaff's commerce and entertainment areas while residents and visitors can use Mountain link to access downtown, attend NAU events or connect to other Mountain line bus routes.

Project Role: (Subcontractor)

- Site Restoration
- Retaining Walls
- Irrigation Installation
- Plant Material & Landscape Improvements

Owner: City of Flagstaff, NAIPTA, & NAU

Engineer/Architect: PSLA Landscape Architect

General Contractor: Hunter Contracting
